BICYCLE

[DOWNLOAD](#)

Nobrow Ltd, United Kingdom, 2012. Paperback. Book Condition: New. New.. 328 x 198 mm. Language: English . Brand New Book. Inspired by the 2012 London Olympic Games, Ugo Gattoni intricately draws a gigantic cycle race through the streets of England s capital.The latest in Nobrow s ultra-popular Leporello series, Gattoni depicts the street race to end all street races with an astonishingly detailed illustration that totals over six feet in length. As the reader s eyes travel alongside Bicycle s speeding cyclists, it soon becomes clear that this is no ordinary contest. Joining the elite athletes is a whole bunch of people including cycle couriers, commuters, bankers, delivery boys, moms with kids, youths on stolen mountain bikes, fashionistas, and hipsters riding their fixed gear bikes.Featuring an embossed wrap-around jacket, Bicycle has been expertly manufactured in the European Union to the highest standards. Beautifully printed, this specially designed, extra-large concertina title can be read as a book or displayed as an Olympic-sized work of art.In a brilliant alternative take on the biggest sporting event of 2012, Gattoni combines homage with humor in this two-wheeled free-for-all. With cycling only growing in popularity, both as a sport and a lifestyle, this book is an ideal gift for the bike-lover in your life.A recent graduate of one of Paris top art schools, Ugo Gattoni wowed the public with an incredible intricate pen drawing measuring approximately thirty-three feet by six feet. This Leporello project for Nobrow Press is his first publication.
