Apex Book Company, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.This is book #03 in our APEX VOICES series! In her first collection of short fiction, Damien Angelica Walters weaves her lyrical voice through suffering and sorrow, teasing out the truth and discovering hope. Sometimes a thread pulled through the flesh is all that holds you together. Sometimes the blade of a knife or the point of a nail is the only way you know you re real. When pain becomes art and a quarter is buried deep within you, all you want is to be seen, to have value, to be loved. But love can be fragile, folded into an origami elephant while you disappear, carried on the musical notes that build a bridge, or woven into an illusion so real, so perfect that you can fool yourself for a little while. Paper crumples, bridges fall, and illusions come to an end. Then you must pick up the pieces, stitch yourself back together, and shed your fear, because that is when you find out what you are truly made of and lift your voice, that is when you Sing Me Your Scars. Blurbs: Sing Me Your Scars revolves in the mind s eye in a kaleidoscope of darkness and wonder. --Laird Barron, author of The Croning and The Beautiful Thing That Awaits Us All Damien Angelica Walters writes prose as sharp as a scalpel. With surgical precision, she slices through her characters veneers to lay bare the secret scars underneath, the knots of fear and desire twisting them. The women and men in these stories struggle against their own, oddly-beautiful damage, and even when they succumb to it, the narrative is never less than compelling....
