

The Time Doctor- Case #3: Lose It Louie Captures the Toy Thief

By Elizabeth Franklin

Createspace, United States, 2015. Paperback. Book Condition: New. 216 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Lose It Louie Captures the Toy and Time Thief is the third book in The TIME Doctor children's time management series. The TIME Doctor is an adorable little clock man who specializes in helping children overcome the time monsters in their lives. Louie has a serious problem! His toy parts keep disappearing! Is there really a toy-eating monster snacking on his toys? When his LOSE-IT-ITIS hits his father's garage and time goes missing as well, it is time for some TIMELY help. The TIME Doctor has just the right prescription to help Louie capture the toy and time thief and box it up so it never steals toys or time ever again. Elizabeth Franklin has been writing books on time priorities and time management for nearly twenty years. Her TIME 4 Kids and Teens curriculum and workshops have helped empower children through college age for almost a generation. The Time Doctor Series is designed to help the youngest reader develop good time and life skills. Find TIME4KIDS books, curriculum, and workshops at.

Reviews

This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.

-- *Otilia Schinner*

Great e-book and helpful one. It usually fails to cost an excessive amount of. I discovered this publication from my dad and i encouraged this pdf to find out.
