*Completely among the best pdf I actually have possibly read through. It is probably the most awesome pdf we have read. You wont really feel monotony at whenever you want of your time (that's what catalogs are for about in the event you ask me).*

RDA Press, LLC. Paperback. Book Condition: new. BRAND NEW, The Art of Raising Capital: For Entrepreneurs and Investors, Darren Weeks, Darren Weeks is Canada's most prominent financial educator. He is the Founder of the Fast Track Group of Companies, an acclaimed solutions-based financial literacy firm and one of the nation's fastest-growing companies. For nearly a decade and a half, Darren has spoken to hundreds of thousands of people across North America, Europe and Latin America about how to become financially independent. He is an advocate of learning how to create wealth through business and investment, and believes that this vital knowledge is lacking from traditional education. In fact, in every country that he has spoken Darren has seen that schools do not teach their students to manage money. Darren has made it his mission to fill that void by providing financial education to people across the world. He went from an average middle-class upbringing to raising hundreds of millions of dollars in investor capital, owning nearly 5,000 real estate properties, millions of dollars in energy assets and acquiring two cruise ship terminals in the Caribbean. All of this was accomplished by educating himself on how to do it and then taking action. There is no greater expert on the art of raising capital from investors and no person more committed to sharing this information than Darren Weeks.
