Britannicus, Phaedra, Athaliah

By Jean Racine, C. H. Sisson

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Britannicus, Phaedra, Athaliah, Jean Racine, C. H. Sisson, Jean Racine (1639-99) remains to this day the greatest of French poetic dramatists. Britannicus (1669), the first play in this volume, takes its themes from Roman history: the setting is bloody and treacherous court of the Emperor Nero. Phaedra (1677) dramatizes the Greek myth of Phaedra's doomed love for her stepson Hippolytus. Athaliah (1691), Racine's last and perhaps finest play, draws on the Old Testament story of Athaliah, Queen of Judah and worshipper of Baal, who is threatened and finally forced to concede victory to Joash, a son of the house of David and survivor of Athaliah's massacres. Racine's tragedies portray characters wrestling with ambition, treachery, religion, and love. In this translation, specially commissioned for The World's Classics series, C.H. Sisson has captured admirably the lucidity of Racine's language, both analytic and passionate, and the rhythm of his four-part Alexandrine, a combination that previous translators have consistently failed to achieve. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most...
