

## IPhone Game Development for Teens (Mixed media product)

By Clayton E. Crooks

Cengage Learning, Inc, United States, 2012. Mixed media product. Book Condition: New. 231 x 185 mm. Language: English. Brand New Book. Learn how to create dynamic, published games for the iPhone, iPad or iPod Touch with iPhone Game Development for Teens. This project-based beginner s game programming book guides new game developers through the complete process of developing a complete game. The book s high-energy, step-by-step style presents proven consistent processes for creating exciting games and its highly readable style is perfect for teens or other beginners. The book begins by introducing critical gaming concepts before going into the details, sound effects, graphics, and more. While the book focuses on developing games specifically for the iPhone, iPad or iPod Touch, readers can use the author s solid development process and the book s open source engine to create effective games for virtually any platform. An accompanying CD-ROM helps readers complete projects with demos of graphics, sound effects and much more.
