Barron's Educational Series. Paperback. Book Condition: New. Paperback. 288 pages. This tragedy tells of a power-hungry Scottish nobleman and his lady, and the price they pay for violently seizing the royal throne. Books in this new, illustrated series present complete texts of Shakespeare's plays. Identifying icons preceding each of these study points are printed in a second color, then are located again as cross-references in the play's original text. For instance, where words spoken by a person in the play offer insights into his or another character's personality, the Characters icon will appear as a cross-reference in both the introductory spread and the play proper. Following each act, a closing spread presents questions...
