

Rights of Access to the Media (Hardback)

Filesize: 2.15 MB

Reviews

The very best publication i at any time study. It really is basic but shocks inside the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

Kluwer Law International, Netherlands, 1996. Hardback. Book Condition: New. 230 x 156 mm. Language: English . Brand New Book. As broadcasting systems are transformed - both in societies making a post-communist transition and in the rest of Europe and the United States - opportunities for access are frequently put forward and debated. But little is done to analyze what is meant by access and how the concept fits into a theoretical framework. Access issues proliferate, not only from the new statutes concerning broadcasting licenses, but for cable television regimens and for the information infrastructures of the future. Access becomes the hope of social groups, religious organizations, politicians - redemptive in its impact on the democratic process. Given the range of uses, given the consequences imputed to access in the broadcasting field, more attention to its various meanings is long overdue. This volume of essays is a partial answer. The book has its origins in a conference held in June 1993 at the Institute for Constitutional and Legislative Policy at the Central European University in Budapest. The purpose of the conference was to gather scholars with a commitment to exploring the theoretical and actual implications of various access regimens as they have been or were then being practiced or proposed. The time was a vital one as debates continued throughout the region on the shape of proposed broadcasting legislation. The conference offered an opportunity to review the political context in which access was being considered at a raw and early moment in the transitions to democracy. Hungary was still deadlocked in its media wars - a confrontation between the major political parties over the course of society in which the conduct and control of broadcasting was seen as a defining issue. The Czech Republic had just split from its Slovak counterpart and the...
