*Unquestionably, this is actually the very best job by any publisher. It really is basic but unexpected situations within the 50 % from the book. I discovered this book from my dad and i advised this publication to discover.*

Ljm Publishing, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. What is considered to be the most profitable skill required for running a small business? It's not keeping the shelves stocked. It's not managing employees. It's not even having a good product. No. The most important skill is marketing your business. Why? Well, the only time you can bring money into your business is if you sell something. You can't stock the shelves unless you have money to buy the stuff to put on the shelves. And you can't pay your employees unless you have money come in the business from selling stuff. Poor marketing is perhaps why 65 of new businesses close their doors within 2 years, and over 85 of businesses don't make it 8 years before going under. Since most of your competition doesn't understand how to market properly, to bring in amazing results in little to no time puts you well ahead of the game. So just knowing a few simple things will put you at a great advantage. In the land of the blind, the person with one eye is KING! Within this book you'll find the 8 most powerful - and profitable - marketing strategies so you can become the king in your area...
