Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Report of the State Board of Forestry: For 1906 and 1907 5. Since the object of this work is to demonstrate practical forestry in all of its phases, the aim will be to treat each woodlot in the most approved manner to secure its greatest productiveness, thereby meeting the needs of the owner and showing his neighbors, who may be similarly situated, what they can do for themselves. The general plan will be for the forester to outline the work in detail and to organize and superintend it when possible. Where thinnings and improvement cuttings are to be made, he will mark the trees to be cut; where fire lines are to be constructed, he will lay them out; where planting is to be undertaken, he will locate the areas to be planted, recommend the species of trees to be used and show how the planting is to be done; and so with all parts of the work that may be agreed upon. The owner will be required to furnish all the labor that may be needed. He will have full control of the disposal of the products from the woodlot, and receive all revenues derived therefrom. In consideration of the advice and assistance given, and in order that the woodlot may serve its full purpose as a demonstration forest, the owner shall agree to carry out in good faith the plans agreed upon and permit the State Forester to give public demonstrations of practical forest operations while the improvement work is in progress, and to publish such results of the work from time to time as he may think proper. 6. The co-operative agreement...
