Partridge Africa, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Life is about acceptance and patience. We are all going to meet hardship and bumpy roads, so to overcome everything, we should first believe in ourselves and learn to love ourselves. For that to happen, it will all start in you and your thoughts, just like the law of attraction that states like attracts like, meaning, our negative thoughts will give negative results and positive thoughts will result in positive results. Life is a precious thing that needs to be nurtured, and for that to happen, a positive attitude is needed. I am trying to give you all the guidance and support that you need so that you can move forward.
