Reviews

This book is indeed gripping and fascinating. It normally is not going to price a lot of. I am very easily will get a delight of reading a created pdf.

(Albertha Cartwright)

DON T LEAVE IT ALL TO THE TEACHERS

Xulon Press, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book stems from thirty-two years in teaching. It aims to take parents into the child s learning environment without the stress which some parents have of schools and teachers and to show them some key aspects of schooling which can have a lasting effect on a child s education and life chances. I do not intend to lecture to parents on how they ought to bring up their children. Instead, I merely set out to provide them with some of the tools with which to enhance their children s success at school: a kind of tool-kit. It is not meant to be a blueprint for success but an aid to success. Here are some of the topics covered Preparing the child for primary secondary transfer Going beyond the parents-evening Schoolwork, homework and teacher expectation Seeing the home as an extension of the school Family values and how they influence a child s schooling How to be a Positive Parental Role-model The book is written in a style and language and with illustrations that make it easily accessible to parents of all ethnic communities. Review DON T LEAVE IT ALL TO THE TEACHER is a companion guide for parents, but it is equally good for teachers in their inseparable journey in the education of children. Dr Alleyne s guidance over a range of processes will help parents understand how to support their children in their learning, but it will also help teachers in their understanding of some of the problems faced by this group of students. I am an experienced teacher in secondary schools in London UK. I am also a retired Head Teacher of a Secondary...
