Brand New Book ***** Print on Demand *****.The Therapists Companion: The Enneagram Field Guide is a great reference for therapists, counselors and anyone who wants quick help understanding the Enneagram or themselves. Based on years of clinical experience and field interviews by therapist Carolyn Bartlett, the book presents reports from therapy clients and individuals, all of whom know their Enneagram style. As they describe their experiences with therapy and counseling, they reveal what has helped them successfully grow and change as well as what has not worked for their personality style.
