Cornerstone. Paperback. Book Condition: new. BRAND NEW, Killing Time: One Man's Race to Stop an Execution, David R. Dow, This title is shortlisted for The CWA Gold Dagger for Non Fiction. David Dow is a leading death row attorney in Texas, where 99 per cent of appeals are rejected. He knows his clients are guilty, but he defends them because he believes murder is wrong. Henry Quaker is a quiet man, charged with murdering his childhood sweetheart and their two children. All the evidence is against him: he's mentally unstable, his gun is missing, his son's blood was found in his car, and he'd taken out life insurance on his family immediately before their murder. But as Dow painstakingly pieces the case together, he gradually becomes convinced that Quaker - whose execution is just weeks away - is actually innocent. This is the real story of Death Row; of corrupt lawyers, judges who are hostile to the very idea of justice and executioners who rely on inmates for moral support. "Killing Time" is a modern classic; both a searing and haunting memoir, and a story that will have you holding your breath until the last page.
