ZONDERVAN, United States, 2007. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. The demand for quality leaders constantly outstrips the supply. If you're a pastor, team leader, staff member, or board member, you're always challenged with a leadership shortage. But what can you do about it? More than you've ever imagined. The Leadership Baton equips you with a solution that's time-proven and right at hand: church-based leadership development. More and more churches are adopting it, and no wonder the principles that made the early church such a spiritual powerhouse are just as effective today. Part 1 casts a vision for church-based leadership training not merely a program, but a leadership development culture based on biblical and historical foundations. Part 2 presents a whole-life approach to leadership development that is wisdom-based (through courses), relationship-based (through the church community), and personal (through mentoring). Part 3 describes a comprehensive plan for leadership development, then breaks it down to target the needs of governing boards, emerging leaders, pastoral staffs, and interns. With discussion questions at the end of each chapter, this book concludes with two appendices, including a self-inventory for church...
