Towns came to me with a letter from Dr. Alexander Lambert and claimed that he had a way of stopping the morphia habit. The claim seemed to me an entirely impossible statement, and I told Mr. Towns so; but at Dr. Lambert s suggestion, I promised to look into the matter. Accordingly, I visited Mr. Towns s hospital, and watched the course of treatment there at different times in the day and night. I became convinced that the withdrawal of morphine was accomplished under this treatment with vastly less suffering than that entailed by any other treatment or method I had ever seen. Subsequently, I sent Mr. Towns several patients, who easily and quickly were rid of their morphia addiction, and have now remained well for a number of years.
